Dear CFCC Members:

We figured out the new solar panels and cooled the pool down a little. First time in my Club Membership that we've gotten that request. It may be that we will get that extra month or two at the beginning and end of the summer. Let's hope.

We need to have our annual Membership meeting. Sorry we're a little late this year. Please join us on Saturday, Aug. 6 at 9:30 at the Club. We'll be reviewing our financials, asking for suggestions from the Membership, and holding elections. Please join us. Have a great summer and come down and enjoy the pool.

John Hollister, CFCC President

Thank You, Thank You, Thank You!

Earlier this month, Grant Wilkins (our Pool Director) - with some help from Josh Welter and Shelby Merrill - spent a good part of a day scraping, sanding and painting our diving board. It looks fantastic! Thank you so much for your hard work!
