President's letter

Dear CFCC Members,

After more than 12 years of great memories of the Club, the Hollister family is bidding farewell. I have so many memories of the kids playing in the pool, doing their first dive or flip, many hours of Marco Polo and noodle fights, team parties, clean-up days, and barbecues. The Club was always the place to spend an hour or two on a lazy summer afternoon, never knowing which of our many friends might wander in. Some days, it was our own pool and others it was shared with scores of kids and parents. What a special place.

It has been my pleasure to serve on the Board for the majority of this time. I have had the privilege of working with many very dedicated people, including Mike Stangland, Gail Reese and all the current Board members. I am proud of what we were able to do to insure that our little oasis was maintained (and maybe improved just a bit) and am comfortable leaving feeling that the Club is in very good hands and financially sound.

In September, we will be hosting our Annual Member Meeting and Board election. At some point during the years, the Election process became one to replace individual roles and responsibilities. The actual process is that Board members are to be elected by the Membership. After their selection, the Board is responsible for determining who does what function and those responsibilities should rotate every two years. At last year's meeting, we were pleased to see some new faces step up to offer their help with maintaining the Club. I hope some return this year and put their names in the running. Please see the instructions about how to submit your name for the election.

Best wishes to you all!

John Hollister

In the event there is a situation at the CFCC which requires emergency treatment, there is a First Aid Kit available in the cabinet above the sink. When there is a life guard on duty, he will be happy to render assistance. Life guards are on duty from noon - 5 p.m. Sunday - Saturday until school is in session. Remember it is easier to stay out of trouble than get out of trouble. Please adhere to all the Club rules and life guards instructions so we can prevent injuries. Thank you.
