Presidents Message

Greetings Conejo Family Country Club Members,

Summer is here and the weather and water are warm! The CFCC Board of Directors is really excited about this year. We added value to your membership by installing "WiFi". Just ask a lifeguard for the password. A big thank you goes to our new board member, Dan Petersen, who spearheaded the installation. Now you can work poolside while enjoying the new plants on the slope! Please notice the new motion-sensor lights added for your safety.

We continue to have issues with late-night trespassing. During the last week of June, someone was brazen enough to light a fire behind the cabana. Several days later, a group of teenagers were in the pool area with a bundle of firewood and items to make smores! Since it was almost 10 p.m., they were reminded that the CFCC must close at 10 p.m. The group was respectful and left. However, without an adult encouraging them to comply with the rules, I am sure there would have been another fire. Before the summer began, we had an issue where a toddler was not wearing "swimmies" and we were forced to close and shock the pool so it could be used again. Let's have a great summer. So, please lock all gates, including the driveway gate if you are the last to leave the property. A locked driveway gate is a deterrent for the late-night party-goers.

I want to thank all of you who take ownership of the CFCC and keep it a great place to bring your families. It takes courage to stand up to those that don't adhere to the rules. I am glad most abide by the rules. It makes the CFCC a fun and safe place to bring your families.

I look forward to warm water as the solar system keeps the temperature inviting. Should you have questions, comments or concerns, please contact one of the Board members or myself.

Best Regards,
Grant Wilkins, CFCC President
